Job Description

The Water Distribution Operator I is a full-time, entry-level position responsible for the operation, maintenance, and repair of the culinary water distribution system. This role performs skilled work to ensure the safe and efficient delivery of drinking water to residential and commercial customers.

What You Will Do

- Perform maintenance, repair, and construction work on culinary water systems.
- Operate maintenance and construction tools and equipment safely and effectively.
- Collect water samples and inspect new construction for compliance with standards.
- Operate and maintain wells, reservoirs, meters, valves, hydrants, and related systems.
- Locate underground utilities, identify leaks, and conduct emergency repairs as needed.
- Perform on-call duties with a 30-minute response time when scheduled.
- Read and interpret maps, blueprints, and GIS data.
- Ensure proper traffic control and worksite safety during field operations.

What You Will Bring

- High school diploma or GED equivalent required.
- Valid driver's license; must obtain CDL Class A within six (6) months of hire.
- Must obtain a Grade I Water Distribution Operator certification within one (1) year.
- Strong mechanical aptitude and ability to operate field tools and equipment.
- Excellent communication and customer service skills.
- Ability to work independently and as part of a team in varying weather conditions.

What You Will Experience

- Outdoor work in all weather conditions, including heat, cold, wind, and precipitation.
- Frequent lifting and moving of objects up to 50 pounds; occasional lifting up to 70 pounds.
- Regular physical activity including standing, walking, climbing, bending, and kneeling.
- Exposure to varying noise levels and outdoor environmental factors.
- Reasonable accommodation is available in accordance with ADA standards.

Compensation & Benefits

Starting pay: \$18.87 – \$28.31 per hour (depending on qualifications and experience). Comprehensive benefits include medical, dental, retirement (URS), vacation, and sick leave.

Employment is subject to passing a mandatory pre-employment drug test
